

A close-up, high-angle photograph of a silver metal hinge mechanism. The hinge is mounted on a door handle, and the door is partially open, revealing the internal components of the hinge. The lighting is bright and even, highlighting the metallic surfaces and the intricate details of the hinge's design. The background is a soft, out-of-focus light blue.

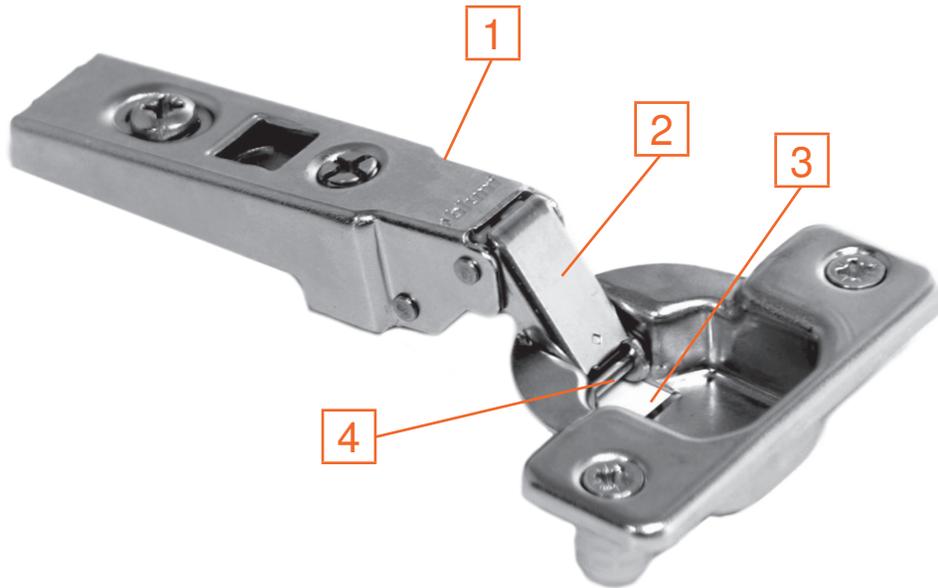

## Hinge Identification Guide

 **blum**<sup>®</sup>

- Arm
- Link
- Cup

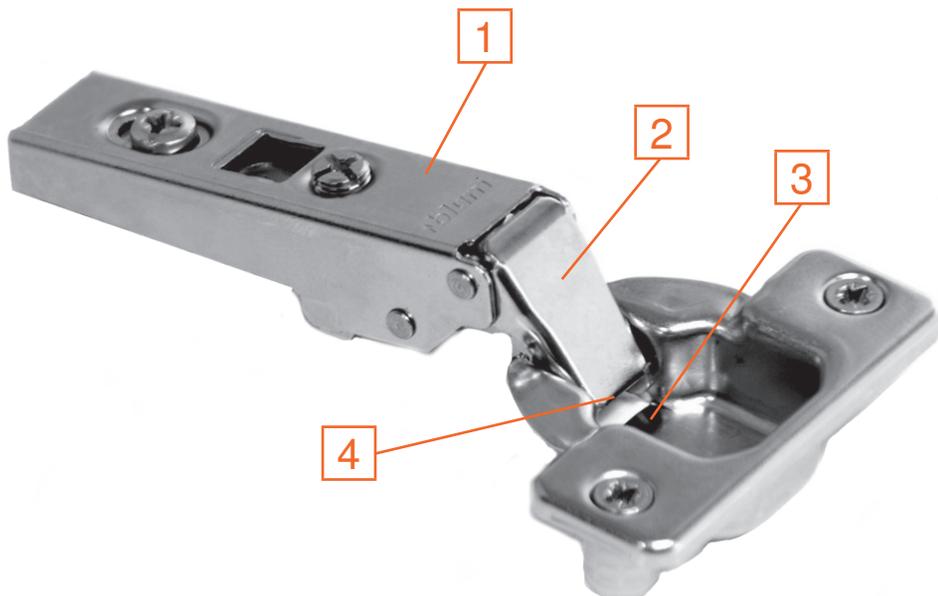

**NOTE:** All hinges shown are straight-arm hinges. The same characteristics apply to cranked hinge arms – with the exception of the shape/size of arm and different reference numbers.

**CLIP 100°**

- 1** Stepped arm
- 2** Straight link
- 3** Large opening in cup
- 4** Exposed link rivet
